SCENE 1

Rhonda: :(To Esther) And just who do you think you are and what are you doing here?

Esther: Why, I m Esther! I just got back from college.

Barbara Ann: Omigosh, Rhonda Didn t you listen to that dialogue before the first song?

Rhonda: Oh good heavens, Barbara Ann. Yes, I know that much. But why are you *here*, Esther outside the castle?

Esther: Good timing?

Wilson: Are you here for the contest, darling?

Mordechai: What contest?

Barbara Ann: The king s dance contest, silly to find a new queen!

Wilson: Yes Queen Vashti is washed up in fact, you might say she wiped out. She refused to dance for him!

Rhonda: And so Ahashverosh is having a dance contest to find a new queen and he sent us out from the castle spa to round up all the eligible beach bunnies in Shushan.

Esther: Oh wow That s far out. Well, I m eligible! And I m well qualified. I love to dance and I just got my degree.

Barbara Ann: I wish I was smart enough to get a degree. What's it in?

Esther: Environmental husbandry! I want to save the planet

Rhonda: *(Aside to audience)* And I guess she wants to find a *husband*, too!

Wilson: You're perfect! Come with us. We'll take you into the castle for an interview. You'll arrive in style, too We've got the little deuce coupe parked right out back!

Mordechai: This could be the big opportunity you've been waiting for, Esther! You could really keep things green if you're the queen!

Esther: I'm psyched! And did I mention that I want to save the planet?

They exit

SCENE 2

***Barbara Ann, Rhonda and Wilson return to stage. Vashti enters sunburned*.**

Vashti: That man is IMPOSSIBLE! I can't BELIEVE this!

Wilson: Now, now, Vashti what is wrong?

Vashti: He banished me, Wilson! BANISHED me! He wanted me to dance for these bums he dragged in from the beach just like always. But I told him there was no way I could dance today. I mean, LOOK at me!

Barbara Ann: Ummm, guys, I'm really confused.

Rhonda: *(Insultingly)* Well, *that's* different!

Barbara Ann: No I mean, we already told Esther that Vashti was banished. And we invited her to the dance contest in Scene 1! So how come we re doing this scene now? Come on Help me, Rhonda!

Rhonda: I m going to ignore that

Wilson: Oh, you poor dear didn t you read the script? This is a *flashback*.

Barbara Ann Ohhhhhhhhhh!

Vashti: *(Annoyed)* Helloooo Isn t this scene supposed to be all about *moi*? I am crisper than a French fry over here. I need some aloe vera!

Barbara Ann: No, no I m Barbara Ann. Vera isn t here right now.

Vashti: I m melting !

Lifeguard: You should have worn sunscreen.

Vashti: I didn't think I was out so long. The King is unreasonable. My sunburn will fade in just a few days. He just has to have his way ALL the time.

Lifeguard: Well the sun had its way with you and you know what they say about the Ultra-violets!

Vashti: So, what am I going to do now?

Lifeguard: Well, I am afraid the King has spoken, Vashti, there are some bad vibrations around here, surfer girl.

Vashti: He's gonna miss me!
